A Moment for Reflection: Humanity Above the Fray

By Joshua Bloomgarden on 10.13.23 | Posted in Sports & Entertainment Spotlight

Welcome back to the Spotlight. I would have loved nothing more than to write about sports and entertainment with levity and dad jokes as per usual. But, in light of the unspeakable, antisemitic terrorist acts committed in Israel in which no one, not even babies, was spared this past week—let alone the callous, hateful “justifications” for them—I am in no mood. I wanted to skip this week altogether, but could not remain silent—and neither should you. So, no bulletpoints (G-d knows there have been enough of those). If you’re looking for ways to help, I encourage you to donate to legitimate organizations that will provide on-the-ground humanitarian aid to those affected. Thank you for reading and stay safe. Am Yisrael Chai.
