

"Use Attainability Analyses in the Real World," National Association of Clean Water Agencies 2005 Law Seminar

Speaking Engagement
November 9, 2005
Event Sponsor: Santa Fe, NM

Contact

Lori Terry Gregory

Hosted by National Association of Clean Water Agencies

NACWA and the Water Environment Research Foundation (WERF) released *Collaborative Water Quality Solutions: Exploring Use Attainability Analyses*, to provide a current assessment of the use attainability analysis (UAA) process, and delve into the details of how UAAs can be used to help solve complex water quality challenges. This panel focused on the legal issues associated with UAAs and explore on the ground approaches to successful UAAs.

Speaker: [Lori Terry Gregory](#)

Location:
Inn at Loretto
211 Old Santa Fe Trail
Santa Fe, NM 87501
