

"Navigating the Built In Gains Tax for C to S Conversions After the Tax Cuts and Jobs Act," Oregon Society of Certified Public Accountants (OSCPA) 2018 Northwest Federal Tax Conference

Speaking Engagement
November 5, 2018
Portland, OR

Larry Brant's presentation will focus on Code Section 1374, the built-in gains tax ("BIG Tax"), and its application after the TCJA. He will discuss the many facets of the BIG Tax that may impact taxpayers converting from C to S, including significant traps that exist for the unwary.

About the OSCP A Northwest Federal Tax Conference: This high-level program is designed specifically to address the educational needs of advanced-level and experienced tax professionals. The program features top-rated and highly sought-after speakers from across the nation.
