

"Demystifying AI: A Legal Perspective," HSMAI's 2023 Curate Executive Insights Forum

Speaking Engagement
November 7, 2023
Long Beach, CA

Erin Snodgrass will address the legal aspects of Artificial Intelligence (AI) in the hospitality industry at HSMAI's 2023 Curate Executive Insights Forum on November 7, 2023, in Long Beach, CA.

Snodgrass's presentation, titled "Demystifying AI: A Legal Perspective," will explore AI's definition, practical hotel industry use cases, and insights from successful AI implementations in various sectors.

The forum provides valuable networking opportunities and insights for hospitality executives seeking to leverage AI for guest experiences, operational efficiency, and business growth.
