

"Arbitrage in a Rising Interest Rate Environment," 2024 Finance & Administration Seminar

Speaking Engagement
June 27, 2024
Vancouver, Washington

Join Tina Kyle and Bill Tonkin at the Washington Public Ports Association's 2024 Finance & Administration Seminar. They will be presenting on the advantages of elective payment credits for clean energy projects and the intricacies of arbitrage in a rising interest rate environment. Tina Kyle and Bill Tonkin will provide a comprehensive guide on the types of credits available, including the annual production tax credit (PTC) and investment tax credit (ITC), along with credit enhancements for projects that meet local wage and apprenticeship standards. Attendees will gain insights into eligibility, pre-filing requirements, and the impact of federal regulations on tax-exempt bonds. Equip yourself with the knowledge to optimize clean energy investments while adhering to yield restriction and arbitrage rebate rules.
