

"Cannabis and Hemp in Flux: Federal Scheduling, State Laws and Market Realities," 28th Annual Wine, Beer & Spirits Law National SuperConference

Speaking Engagement
10.9.24-10.10.24
Denver, CO

Legal professionals and industry stakeholders will gather in Denver from October 9-10 for the [28th Annual Wine, Beer & Spirits Law National SuperConference](#).

[Emily Harris Gant](#) of Foster Garvey, Michelle Bodian of Vicente LLP and Nicola Reid from the Washington State Liquor & Cannabis Board will host a session on pressing issues surrounding federal and state regulation of hemp and low-dose THC products. The session will cover topics such as the anticipated re-scheduling of hemp under federal law, approaches to regulation by both federal and state governments and Washington State's specific stance on hemp and cannabis-containing products.

To register for this conference, please visit the [event's official page](#).
