

"A Focus on Privacy – California Consumer Privacy Act and GDPR," The CIO Summit

Speaking Engagement
September 5, 2019
Cambridge, MA

GDPR is still in its infancy and the CCPA is just around the corner. This discussion of post-implementation GDPR will focus on what lawyers have learned and seen over the first 16 months of GDPR, followed by an introduction to CCPA, a comparison of how GDPR and CCPA differ and the expected impacts of the CCPA.
