SPEAKING ENGAGEMENT

April 11, 2022 | 1:45pm MT - 3:15pm MT

Melodie Virtue will be co-presenting with Frank Montero and Margaret Miller.

It has been a busy time at the FCC... an NCE filing window, new FCC Chair, license renewals, and a possible LPFM filing window... to say nothing of the usual underwriting, music licensing, and FCC compliance issues that are always there. What will 2022 bring for Public Radio from inside the Washington DC Beltway?

The Super-Regional Meeting is the pre-eminent national gathering of public media CEOs, thought leaders, and top executives. Complete with relevant and provocative sessions, this conference focuses on the vital, pressing, and complex issues facing public media.

Through live collaboration and a fluid, agile mindset, the Public Radio Super-Regional Meeting will give you real-time inspiration, knowledge, and tools to design the future of what you do.
