

"Integrating GenAI in Hospitality: Legal Frameworks and Security Protocols," 2024 CIO Summit

Speaking Engagement
9.5.24
Nashville, TN

[Erin Snodgrass](#) is slated to present at the 2024 CIO Summit, focusing on the transformative role of Generative AI in the hospitality industry. Her session will cover the use of AI from back-end operations to guest services, addressing the necessary legal frameworks, contracting practices and cybersecurity precautions. Erin will also provide guidance on governance strategies for a responsible and sustainable AI deployment.
