Don't miss Oregon School Boards Association's Bonds, Ballots and Buildings Conference on Friday, February 16, held once every two years in Salem. This event has a long history of providing resources to help school districts and community colleges plan facilities, define and communicate bond costs to voters, and learn tactics for effective bond campaigns.

Foster Garvey is a proud sponsor of this conference and is hosting a booth where Tina Kyle, Marc Greenough and Courtney Dausz will be representing the firm. Come by and say hi!
