

"Traveler Expectations for Post-Pandemic Travel," Puget Sound Chapter Business Travel Association's April General Meeting

Speaking engagement
April 21, 2021 | 11:00 a.m. PDT
Virtual Event

During Greg's session, he will cover a variety of post-pandemic issues that he and his hospitality team are tackling daily, including evolving guest communications, the use of releases and waivers, COVID testing, cancellations and refunds, deposits and the increasing use of traditional lodging facilities for other alternative uses – residential, student house, office, etc.
