Data Protection

Eva Novick will discuss hot topics in privacy and cybersecurity law. She will provide need to know compliance updates from the past year including highlights of new laws and the latest trends in ransomware.

Hospitality Upgrade Magazine has announced that its 17th Annual Executive Vendor Summit (EVS) will be held in person at The Westin Dallas Stonebriar Golf Resort in Frisco, Texas, from March 30-April 1, 2022. The Executive Vendor Summit is a unique invitation-only industry event that brings together senior level technology executives from the hospitality industry for learning, thought leadership and networking.

For more information on this event, please visit the Executive Vendor Summit [event page](#).
