

"Structuring Warrants in ESOP Transactions: Avoiding Unintended Consequences," NCEO 2020 Employee Ownership Conference

Speaking Engagement
April 21, 2020
Virtual Event

The National Center for Employee Ownership is a nonprofit organization that supports the employee ownership community.

This year the NCEO 2020 Employee Ownership Conference will be held virtually and will include:

- An engaging and relevant keynote
- Thoughtful and energetic speakers with expertise on culture, sustainability, transactions, and everything in-between
- Information on how ESOPs are responding to the COVID-19 crisis
- NCEO's annual Innovations Award and Video Contest winners
- Virtual networking opportunities and more

Speaker: [Philip J. Carstens](#)

Topics include:

- "Structuring Warrants in ESOP Transactions: Avoiding Unintended Consequences"
