

"Utility and Rail Corridors," The Seminar Group's 10th Annual Program: Understanding Public Easements in Western & Eastern Washington

Seminar
May 5, 2022
Seattle, WA

Paul Trincherro will be presenting on legal considerations involving utility and rail corridors at The Seminar Group's 10th Annual Program on Understanding Public Easements in Western & Eastern Washington.

This program is designed to help new and seasoned practitioners understand the issues and opportunities facing Washington property owners. Attendees will leave better prepared to protect clients and preserve their rights in the continually developing landscape of property law.
