

Foster Garvey Welcomes Three New Associates in Seattle and Spokane

Press Release
October 22, 2019
Foster Garvey Newsroom

SEATTLE (October 22, 2019) - Foster Garvey is pleased to welcome the addition of three new associates to the firm's Seattle and Spokane offices. Asti Gallina, Mikaela Louie and Victoria Redman join the firm's Litigation, Health Care and Business & Corporate Finance practices, respectively.

Asti Gallina joins the firm's Litigation practice in Spokane. She earned her J.D. from the University of Washington School of Law, where she was Managing Editor of the *Washington Law Review*. During law school, she received the CALI Excellence for the Future Award®, recognizing students who earn the top ranking in a law school course, in Contracts, Legal Writing, Federal Courts and Persuasive Writing. Prior to joining Foster Garvey, Asti was a law clerk for the U.S. Court of Appeals for the 9th Circuit and the U.S. District Court for the Eastern District of Washington.

Mikaela Louie joins the firm's Health Care practice in Seattle. She earned her J.D. from the University of Washington School of Law, with a concentration in Health Law. While in law school, she was an active member of various groups, serving as Associate Notes & Comments Editor of the *Washington Law Review*, Co-President of the Jewish Law Student Association and a Gregoire Fellow. Additionally, she is a champion of Alzheimer's care and research initiatives. Since 2013, she has been a volunteer leader of the Alzheimer's Association, Washington State Chapter, where she currently serves as Chair of the Board of Directors. Prior to joining Foster Garvey, Mikaela was a judicial extern for the Honorable Mary Yu of the Washington State Supreme Court.

Victoria (Redman) Williamson joins the Business & Corporate Finance practice in Seattle. She earned her J.D. from the University of Oregon. During law school, Victoria worked with the University of Oregon Business Law Clinic, where she advised clients of all sizes from single-member LLCs to large,
