

Ralph Simmons Quoted in BNN Bloomberg on State-Level Bans of Artificial Food Dyes

Media Mention November 5, 2024 BNN Bloomberg

Ralph Simmons was recently quoted in BNN Bloomberg on the growing shift in the food industry toward natural alternatives to artificial dyes. "Our advice right now, and what I understand a lot of companies to be doing, is looking for alternatives," said Ralph, who is actively working with clients on the dyes issue. "Right now, it's a consumer interest," he added, pointing to the role of consumer demand in driving these changes.
