My primary goal as an attorney is to provide insightful and efficient counseling to clients who are going through one of the most difficult times in their lives when seeking my assistance. I strive to provide clear, concise and compassionate counseling to achieve a resolution that enables them to move forward with financial security while meeting their personal goals.

Mr. Sobel concentrates his practice in litigation, primarily in the area of family law and with an emphasis on the representation of high net-worth individuals. He provides counsel across all aspects of family law, including prenuptial agreements, separation and divorce proceedings, the distribution of property and other marital assets, spousal and child support, custody and relocation. Mr. Sobel represents clients at trial, in mediations and arbitrations, and at post judgment modification and enforcement hearings. He is certified by the Supreme Court of New Jersey as a Matrimonial Law Attorney.

Mr. Sobel's experience also encompasses complex civil litigation, with a particular focus on sophisticated and high value business-related disputes. He is involved in a variety of charitable activities, including supervision of pro bono litigation supported by the firm. His pro bono work has included representation of the New Jersey State Bar Association before the New Jersey Supreme Court.

Mr. Sobel lectures frequently on family law topics and has served as moderator of the New Jersey Institute for Continuing Legal Education's Annual Family Law Summer Institute since 2004.
