

## 2017 Atlantic Builders Convention

Atlantic City Convention Center  
April 4-6, 2017

### Event Sponsor: New Jersey Builders Association

Greenbaum, Rowe, Smith & Davis LLP, a Master Sponsor of the New Jersey Builders Association, will be an exhibitor at the 2017 Atlantic Builders Convention, to be hosted by NJBA on April 4 – 6 at the Atlantic City Convention Center. The firm will be located in Booth #909 on the convention floor, which will be open to visitors on April 5&6 from 10:00am – 4:00pm.

Four of the firm's attorneys will be speakers at educational seminars at this year's ABC convention:

#### Wednesday, April 5

- **Gary S. Forshner** will be a panelist for the seminar "Engineering: Concepts, Strategies and Practices" from 12:00pm – 1:45pm. This program will focus on best practices during the development process to ensure that builders reach final compliance efficiently and affordably, and will also explore the engineering-related aspects of NJ land-use laws and regulations.
- **Steven G. Mlenak** will be a panelist for the seminar "Community Associations" from 12:00pm – 1:45pm. This program will review the definition and various types of community associations, how to create them, and the risks in developing one and how to proactively avoid them.

#### Thursday, April 6

- **Matthew J. Schiller** will be a panelist for the seminar "21<sup>st</sup> Century Land Use: The Impact of E-Commerce and Technology on Land Use & Real Estate Transactions" from 10:00am – 11:45am. The concept for this first-time ABC program was developed by Mr. Schiller, and will review the impact of technological advances on the way we buy and sell goods and services, operate real estate, obtain data, and practice law.

#### Attorneys

Robert S. Goldsmith  
Steven G. Mlenak

## Seminars & Events (Cont.)

- **Robert S. Goldsmith** will be panelist for the seminar “The Growing Trend of Mixed-Use Developments” from 12:00pm – 1:45pm. This program will focus on the trend of bringing together both residential and commercial components in mixed-use developments and their emerging role in the development community

The ABC convention is the largest building industry trade show in the Northeast, drawing approximately 6,500 participants from the Northeast region, including residential and commercial builders, developers, remodelers and subcontractors, plus a variety of manufacturers, suppliers, and consulting professionals.
