

2018 Atlantic Builders Convention

Atlantic City Convention Center
April 11-12, 2018

Event Sponsor: New Jersey Builders Association

Greenbaum, Rowe, Smith & Davis LLP, a Master Sponsor of the New Jersey Builders Association, will be an exhibitor at the 2018 Atlantic Builders Convention, to be hosted by NJBA on April 11 & 12, 2018 at the Atlantic City Convention Center.

The firm will be located in Booth #310 on the Convention floor, which will be open on April 11 & 12 from 10:00am – 4:00pm.

Four of the firm's attorneys will participate in educational seminars at this year's Convention:

Wednesday, April 11

- **Gary S. Forshner** will moderate "**Engineering: Concepts, Strategies and Practices**" from 2:00pm – 3:45pm. Engineers play a pivotal role in project design and in the review of development applications. This seminar will focus on best practices during the development process to ensure builders can reach final compliance efficiently and affordably. It will also touch on the ever-changing, engineer related constructs of NJ land-use laws and regulations.
- **Robert S. Goldsmith** will be a panelist for "**The Growing Trends in Mixed-Use Developments**" from 2:00pm – 3:45pm. New Jersey's demographics continue to change with more and more households making the choice to move into urban style housing to meet their desire to live, work, shop and play in the same community. This seminar will explore the emerging trend of bringing together both residential and commercial components in mixed-use developments and their emerging role in the development community.

Thursday, April 12

- **Matthew J. Schiller** will moderate "**21st Century Land Use Challenges**" from 10:00am – 11:45am. Technology continues to dramatically change the acquisition, development and operation of

real estate. This seminar will explore the numerous online resources and databases available to analyze properties as well as ongoing impact of e-commerce and advances in technology on existing and proposed developments, infrastructure, zoning laws, and real estate transactions.

- **Robert Beckelman** will be a panelist for “**Redevelopment Case Studies**” from 10:00am – 11:45am. A panel of developers and other professionals will present case studies of highly successful redevelopment projects and will discuss how they worked with municipalities in New Jersey to get them built.

Hosted by the New Jersey Builders Association (NJBA), the Atlantic Builders Convention (ABC) is the largest regional building industry tradeshow in the Northeast. With state of the art products, innovative services, and educational programs, ABC is also an excellent forum for networking and deal-making for building industry professionals.
