

Advanced Evidence Issues for Family Lawyers

October 19, 2013

Event Sponsor: New Jersey Institute for Continuing Legal Education in cooperation with the NJ Chapter of the American Academy of Matrimonial Lawyers

Glenn Berman, Of Counsel in the Litigation Department, will be a panelist for a program on “Advanced Evidence Issues for Family Lawyers,” presented by NJICLE in cooperation with the NJ Chapter of the American Academy of Matrimonial Lawyers. The presentation will focus on best practices for intertwining the rules of evidence with effective advocacy for the client in order to win family law trials.

Judge Berman focuses his practice in mediation, arbitration, and discovery management of complex family, commercial, estate/probate, and general equity matters, as well as law enforcement investigations.

Additional program information and registration details are available online at www.njicle.com.
