

Financial Strategies for Female Professionals: How to Take Charge of Your Financial Future

Greenbaum, Rowe, Smith & Davis LLP, Iselin

May 21, 2019

Event Sponsor: Greenbaum, Rowe, Smith & Davis LLP Women's Leadership Forum

Women face different financial challenges than men. They often earn less money, take time away from their careers to be a caregiver, and tend to live longer.

Our program will address each of these challenges within the context of the unique considerations women should take into account throughout the financial planning process.
