

## COVID Issues in the Building Industry

Live Webinar

April 21, 2020

### Event Sponsor: New Jersey Builders Association

**Gary S. Forshner**, co-Chair of the firm's Redevelopment & Land Use Department, will moderate a live webinar on "COVID Issues in the Building Industry," which will be presented on Wednesday, April 22, 2020 from 9:00am – 12:00pm. The program is being presented by the New Jersey Builders Association for NJBA members. **Jemi Goulian Lucey**, a partner in the firm's Litigation Department, will be a panelist for the presentation.

This webinar will explore the multitude of issues that builders and business owners face due to the COVID-19 health emergency. Topics to be discussed include updates on legislative and executive action in Trenton and Washington D.C.: construction as an essential service, worker safety, inspections, permit extensions, tax deferrals, planning and zoning board procedures, evictions, employment, mortgage forbearance, lending, title recording, electronic signatures, bankruptcy, insurance, information technology, business assistance programs, and more.

Ms. Lucey, a trial attorney who focuses her practice on employment, higher education and professional negligence matters, will address the following topics:

- Paid family leave (New Jersey under the Earned Sick Leave law and federal under the Families First Coronavirus Response Act)
- Unemployment Insurance Benefits – what New Jersey provides and what has changed with COVID-19
- CARES Act
  - Increase to Unemployment Benefits
  - Paycheck Protection Program
  - Loan Forgiveness

Mr. Forshner concentrates his commercial real estate practice in the areas of land use, zoning, real estate development and redevelopment. He represents local, national and international developers, property owners
