

Construction Defect Claims and Litigation: Managing Risks and Ensuring Best Practices

Live Webcast

December 6, 2022

Event Sponsor: The Knowledge Group

Steven Nudelman, Chair of the firm's Construction Contracting & Risk Management Practice Group, will serve as a panelist for the live webinar "Construction Defect Claims and Litigation: Managing Risks and Ensuring Best Practices," to be presented by The Knowledge Group on Tuesday, December 6, 2022, from 12:00pm – 1:30pm.

The past few years have been plagued by construction project delays because of the pandemic-prompted suspension of work worldwide. With a series of challenges that are likely to loom in the construction industry this year, innovative approaches will be required to stay one step ahead of the shifting landscape, especially in construction defect cases and litigation.

This presentation will feature an in-depth analysis of the current developments surrounding construction defect claims and litigation. Key topics to be covered include:

- Recent Trends in Construction Defect Litigation
- Notable Court Cases Implicating Construction Defect Litigation
- Emerging Issues and Challenges
- Defense Strategies Against Construction Defect Claims
- Practical Considerations and Best Practices to Mitigate Risks

Mr. Nudelman is a partner in the firm's Litigation and Real Estate Departments, concentrating his practice in construction law. For over 25 years he has represented members of the construction industry across a broad spectrum of matters. On the transactional side, Mr. Nudelman works with owners and developers, construction managers, general contractors, subcontractors and design professionals to prepare and
