Live Webinar

March 27, 2023

Event Sponsor: New Jersey Institute for Continuing Legal Education

Robert B. Hille, a partner in the firm's Healthcare and Litigation Departments, will be a speaker at "The NJSBA Spring Conference: A Special One Day Virtual Event," to be presented via live webinar on Monday, March 27, 2023 from 8:30am – 4:30pm by the New Jersey Institute for Continuing Legal Education.

Sessions at this full-day conference will focus on family law issues, ethics and DEI, technology and special interest topics, estate planning and administration, criminal law, and labor and employment issues.

Mr. Hille will be a panelist for a discussion on "How to Ethically End a Client Relationship." Most lawyers at some point realize that they can no longer work with a particular client, usually for one of two reasons – failure to pay or bad behavior that undermines their interests and the ability to represent them adequately. Yet, "firing" a client can be fraught with ethical and practical problems. This segment will give guidance on how to terminate an attorney-client relationship ethically and in a manner that causes the fewest issues.

Mr. Hille focuses his practice in litigation, with a particular emphasis on trial advocacy. His areas of concentration include insurance, healthcare law, professional liability and ethics, and white-collar criminal matters, including those related to professional ethics. Mr. Hille has extensive trial expertise that encompasses insurance defense and coverage cases, healthcare disputes, professional liability defense, fraud and abuse, and regulatory issues. He is certified by the Supreme Court of New Jersey as a Civil Trial Attorney and lectures frequently on issues related to attorney ethics and professional liability.
