

“C.N.R.” Liability for Fire Protection Engineers & Contractors: An Overview of Claims Based on Contract, Negligence and Regulations

North Metro Training Center Complex, Erie, CO
May 10, 2023

Event Sponsor: Society of Fire Protection Engineers Rocky Mountain Chapter, 8th Annual Fire Protection Symposium

Steven Nudelman, Chair of the firm’s Construction Contracting & Risk Management Practice Group, will be a presenter at the 8th Annual Fire Protection Symposium, to be hosted by the Society of Fire Protection Engineers Rocky Mountain Chapter on Tuesday, May 10, 2023, from 8:00am – 4:30pm (GMT).

Mr. Nudelman will lecture on the topic “C.N.R. Liability for Fire Protection Engineers & Contractors: An Overview of Claims Based on Contract, Negligence and Regulations.” His presentation will include an overview of contract liability, general negligence, and regulatory exposure. Attendees will also learn about PE stamp liability and the responsibility carried by the design engineer for the design drawings vs. responsibility carried by the shop drawing designer.

Mr. Nudelman is a partner in the firm’s Litigation and Real Estate Departments, concentrating his practice in construction law. For over 25 years he has represented members of the construction industry across a broad spectrum of matters. On the transactional side, Mr. Nudelman works with owners and developers, construction managers, general contractors, subcontractors and design professionals to prepare and negotiate contract documents for construction in the New Jersey and New York metropolitan area. His construction contracting work helps his clients manage the risk inherent in construction projects so they may adequately protect their interests now to avoid claims and disputes in the future. When claims and disputes are unavoidable, Mr. Nudelman draws upon his wide-ranging experience in construction litigation, representing clients in state and federal courts throughout the New Jersey/New York
