

Troubleshooting Guide to Construction Claims: How to Manage Changes and Delays

Live Webinar

January 19, 2024

Event Sponsor: The Knowledge Group

Steven Nudelman, Chair of the firm's Construction Contracting & Risk Management Practice Group, will serve as a panelist for the live webinar "Troubleshooting Guide to Construction Claims: How to Manage Changes and Delays," to be presented by The Knowledge Group on Wednesday, November 22, 2023, from 12:00pm – 1:00pm.

Disputes and claims have continuously increased along with the evolving landscape of the construction industry. As the sector navigates the complex post-pandemic era, a new set of conflicts is anticipated to take shape. Companies that are best prepared for potential changes and delays are likely to be in a favorable position to mitigate the risk of costly litigation. In parallel with increasing number of construction disputes and litigation activities this 2023 comes greater necessity for industry participants to stay on top of the opportunities and challenges in construction claims.

This presentation will delve into the latest developments affecting construction claims, providing valuable insights into proven strategies to reduce the occurrence of disputes and effectively manage delays.

Key issues on the program agenda include:

- Recent Developments in Construction Claims
- Recent Court Rulings
- Challenges and Opportunities
- Effective Strategies for Managing Delays
- Best Practices to Avoid Disputes
- Potential Changes to Look Out For

Steven Nudelman

Seminars & Events (Cont.)

Mr. Nudelman is a partner in the firm's Litigation and Real Estate Departments, concentrating his practice in construction law. For over 25 years he has represented members of the construction industry across a broad spectrum of matters. On the transactional side, Mr. Nudelman works with owners and developers, construction managers, general contractors, subcontractors and design professionals to prepare and negotiate contract documents for construction in the New Jersey and New York metropolitan area. His construction contracting work helps his clients manage the risk inherent in construction projects so they may adequately protect their interests now to avoid claims and disputes in the future. When claims and disputes are unavoidable, Mr. Nudelman draws upon his wide-ranging experience in construction litigation, representing clients in state and federal courts throughout the New Jersey/New York metropolitan area, as well as in local and international mediations and arbitrations.
