

Greenbaum Welcomes Two Summer Associates

July 7, 2011

Greenbaum, Rowe, Smith & Davis LLP announces the arrival of two law students to the firm's 2011 Summer Associate Program: **Abad Ulla Mian** of New York City, attending New York University School of Law; and **Irene Hsieh** of Warren, attending Columbia Law School.

Over the course of the summer, the students have the opportunity to gain tangible legal experience in transactional and litigation matters in various practice areas, while working with partners and associates at the firm. Summer associates receive direct exposure to the legal process by attending closings, hearings/trials, depositions, negotiations and business meetings that take place during the summer. Seminars, luncheons and outings offer informal settings to further develop professional and personal ties to the firm and its attorneys.
