

2012 Chambers USA Guide Recognizes GRS&D As Leading Law Firm in Four Practice Areas

- 13 Greenbaum Partners Ranked As Leading Individuals -

June 13, 2012

The *Chambers USA Guide to America's Leading Lawyers for Business* has once again recognized **Greenbaum, Rowe, Smith & Davis LLP** in its annual rankings of the foremost law firms and lawyers in the country.

The recently published 2012 edition of the Chambers Guide ranks our firm among the top tier law firms in New Jersey in four core practice areas - **Litigation, Corporate/Mergers & Acquisitions, Real Estate and Environment**. Additionally, the firm is pleased to announce that **thirteen of our partners rank among the top attorneys** in this year's Chambers Guide listings.

Litigation: General Commercial

Chambers USA editors note that in handling cases from 'small disputes to substantial high-profile matters, ' the Greenbaum litigation team is 'thorough and impresses clients with its ability to digest the facts of a case and achieve successful outcomes.'

Partners named in this area of practice are **Paul A. Rowe, Alan S. Naar** and **John D. North**.

Corporate/Mergers & Acquisitions

Chambers comments that 'the firm has carved out a key position in the New Jersey market for advising a diverse portfolio of small and medium-sized businesses' with a corporate team that 'is committed to developing long-standing relationships with clients.'

Partners named in this area of practice are **W. Raymond Felton** and **Alan E. Davis**.

Real Estate

Our real estate group receives 'praise for its high-quality attorneys, its in-depth knowledge, as well as for the firm's global intelligence.' Chambers editors reference our representation of an 'impressive list of clients...in various redevelopment, leasing and financing matters.'

Partners named in this area of practice are **Thomas J. Denitzio, Jr., Meryl A. G. Gonchar, Martin E. Dollinger, Jack Fersko, Robert S. Goldsmith, Christine F. Li** and **Ann M. Waeger**.

Environment

The firm's environmental team is 'considered strong specialists in environmental and real estate matters' according to Chambers editors, who reference the group's ability to draw upon 'wider departmental support in litigation and business law' on behalf of clients.

Partners named in this area of practice are **David B. Farer** and **Ann M. Waeger**.

The London-based publishers of the *Chambers USA Guide to America's Leading Lawyers for Business* conduct comprehensive annual research, including in-depth interviews with thousands of lawyers and clients, as they seek to assess the reputations and expertise of business lawyers across the country. The qualities which determine firm and individual rankings include technical legal ability, professional conduct, client service, commercial awareness, diligence and commitment. The complete methodology can be viewed at <https://chambers.com/research/methodology>
