

JOHN T. M. DIMASIO PH.D.

Senior Associate

JDimaio@hodgsonruss.com 716.848.1432

John is an attorney in the Intellectual Property & Technology Practice, where he focuses on the preparation and prosecution of patent applications. His areas of focus include organic chemistry, bioorganic chemistry, supramolecular chemistry, peptide chemistry, peptidomimetics, small molecule synthesis, self-assembling systems, hydrogels, pharmaceuticals (including small molecules, biologics, and delivery methods), chemical processes, and analytical methods.

Prior to law school, John did his doctoral work at the University of Rochester. His dissertation focused on synthesis and characterization of small molecules, peptides and bio functional supramolecular compounds. He is an author on several peer-reviewed publications and presented his research at several national conferences.

John graduated from the University at Buffalo School of Law. While there, he was a member of the *Buffalo Law Review* and *Buffalo Intellectual Property Law Journal*.
