

# AIPLA COMMITTEE WEBINAR: ADVICE FROM IN-HOUSE COUNSELS TO NEW ASSOCIATES ON HANDLING IP MATTERS

October 20, 2016  
3 - 4 p.m.

**Attorneys**

Nathaniel Lucek

October 20, 2016

In-house lawyers are often the primary point of contact with your client. Anticipating their needs is an important part of working with corporate clients. The presentation will be a round-table discussion with perspectives from several current and former in-house lawyers. The panel will discuss topics that will help law students and new lawyers work efficiently and effectively with their in-house counterparts.
