October 23-24, 2018  
Uniondale, New York

Join Emina Poricanin Peter Godfrey, John Godwin and Amy Walters for the HCP 2018 Annual Management Conference and Exhibition, *Transformations*, October 23 & 24, 2018 in Uniondale, NY. This year's event will reflect on the changes currently taking place in New York State's home care industry, as well as how providers are working to transform their businesses in order to continue providing high quality home care services to New York's most vulnerable populations. Conference sessions will offer experts and topics that provide attendees with new ways to transform personally and professionally to meet the challenges that lie ahead.
