

EXPLORING BLOCKCHAIN'S GLOBAL REACH WEBINAR SERIES: WORLD FOOD PROGRAMME

Webinars

November 7, 2018
10:00 a.m. -11:00 a.m. ET

November 7, 2018

In the third of our series of blockchain webinars, join our panel as they discuss how the World Food Programme uses blockchain for food distribution to Syrian refugees. Besides discussing how blockchain is used and how it helps with the largest humanitarian crisis of the 21st century, the panel also will discuss why blockchain is an attractive option for humanitarian applications and how blockchain can provide identification to people fleeing war or natural disasters.

Speakers Include:

- Nathaniel Lucek, Senior Associate at Hodgson Russ LLP
- Krista Marcucci, Co-Founder at BlocKlub
- Houman Haddad, World Food Programme
