Templeton Landing, Buffalo, NY

Over the past 26 years, this event has evolved into the foremost conference of its kind in Western New York. Each year it provides environmental professionals an opportunity to stay updated and informed on the latest regulatory and technical developments in our field. Attendees will hear experts representing industry, regulatory, legal and consulting disciplines. This full day seminar will feature a series of presentations and discussions with a focus on today's leading edge topics in the environmental industry.

Hodgson Russ partner, Chuck Malcomb, will be presenting on the Introduction to the New SEQRA Revisions & Common SEQRA Mistakes. For more information and to register, click here: <https://awmanfs.wildapricot.org/event-3095544>

2019 Seminar Brochure

PDH and CLE credits will be available. All proceeds from the seminar go towards environmental scholarships for our future professionals.
