U.S. employees can accelerate growth of your business and can help reach your North American customers. However, the labor rules in the U.S. and Eastern Europe are very different. Please join Hodgson Russ LLP and the Bóné Law Firm to learn about hiring U.S. employees, an introduction to U.S. labor rules, handling intellectual property ownership for U.S. employees, and issues when terminating employees at a U.S. subsidiary.

## Practices & Industries

Europe-U.S. Cross-Border

Speakers: Nathaniel Lucek (Hodgson Russ LLP), Melissa Kathan (Hodgson Russ LLP) and László Bóné (Bóné Law Firm)

**Who should attend:** European businesses considering U.S. expansion, European entrepreneurs considering U.S. sales, and individuals seeking a better understanding of U.S. labor rules.
