

# ADVANCED ISSUES IN SECURED LENDING & DEBT FINANCE: NAVIGATING COMPLEX ISSUES & EMERGING TRENDS

## Webinars

October 28, 2020

8:30am - 4:30pm

Event Sponsor: Osgoode Professional Development

October 28, 2020

Designed for legal and business professionals with experience in financial transactions, this annual conference focuses on providing you with crucial considerations, strategies and tactics you need to know in order to avoid costly missteps.

Focused on the practical, with perspectives for both the borrower and the lender, this new *OsgoodePD* program will provide you with a carefully structured, practical understanding of how to tackle the complex and thorny issues that are top of mind for all professionals involved in secured lending and debt finance transactions in Canada. You will be able to network and learn from a multidisciplinary faculty of experts, including Andrew Oppenheimer and Joseph McKernan, and emerge from the program with increased confidence and a grasp of current challenges and emerging trends.
