2020 has been one of the most challenging years in the history of taxation. With the conclusion of the year quickly approaching it's critical to establish year-end tax strategies and advantageous opportunities. FAE and Hodgson Russ have teamed up to offer one of the most comprehensive webcasts covering everything from the impact of the Wayfair decision, sales and use tax compliance, to decoupling legislation resulting from the CARES Act, and so much more.

The day-long workshop is presented in a morning and an afternoon session: Part 1 runs from 9:00 a.m. - 12:30 p.m. and Part 2 runs from 1:30 p.m. to 5:00 p.m.
