The COVID-19 pandemic not only changed the way we live, but also the way we do business. Telecommuting has become the norm. Some businesses have decided to leave their office space altogether; choosing to acquire office space outside of New York City or not continuing to maintain an office. How does this “new normal” effect issues such as nexus and wage withholding and sourcing of service income?

Open Weaver Banks will moderate a panel on these topics and more. For information and to register, [click here](#).
