

LARGE SCALE SOLAR USA

Speaking Engagement

Austin, Texas
May 3, 2023

May 3, 2023
Austin, Texas

Daniel Spitzer and Joseph Rekrut spoke at the Large Scale Solar USA event in Austin, Texas.

On May 3, Joseph Rekrut participated on the panel for “What are the Implications of IRA Guidance on Future Profits?” This panel discussion can be used as a guide to the Inflation Reduction Act policy and the consequences for business.

On May 4, Daniel Spitzer participated on the panel for “Powering the Future: Business Opportunities in Green Hydrogen and Solar.” This panel discussion focused on hydrogen and solar featuring perspectives on how hydrogen will impact the Large-Scale US solar and where the biggest opportunities for development can be found in the market going forwards.
