

REGIONAL APPROACH TO FINANCING/ ADDRESSING COMBINED SEWER OUTFLOW ISSUES

Hodgson Russ represents a regional planning commission in the structuring of a solution to the combined sewer outflow issue involving six municipalities along the Hudson River. The total cost of the capital project is in excess of \$80 million and is expected to take place over a 15-year period. The municipalities are entering into an intermunicipal cooperation agreement, and our role is to design the financing structure to provide for the financing.
