

ENVIRONMENT AND HEALTH LAW PRACTICES, CAROLE ACIMAN, BETHANY HILLS TRACHTENBERG, AND ELLEN V. WEISSMAN LISTED IN 2012 CHAMBERS USA

June 11, 2012

Hodgson Russ's Environment & Energy and Health Law Practice Groups, and attorneys **Carole Aciman** (Information Technology & Internet Law, New York), **Bethany Hills Trachtenberg** (Health Law, New York), and **Ellen V. Weissman** (Health Law, Buffalo) are recognized in the 2012 edition of *Chambers USA: America's Leading Lawyers for Business*, an annual referral guide that ranks law firms and attorneys based on in-depth research and interviews with clients, attorneys, and corporate counsel. In ranking Hodgson Russ among the top law firms for environment and health care law in New York State, Chambers USA reports that "the nine-attorney environment practice at this Buffalo firm is one of the strongest...covering the Western New York state area," and calls the Health Law Practice Group a "respected team...particularly noted for its strength in health care reimbursement." The guide names Ms. Weissman, lead partner in the firm's Health Law Practice Group, a "key individual," noting that "clients applaud her thorough and attentive approach." The guide also identifies Ms. Trachtenberg, a senior associate in the Health Law Practice Group, as a "key individual," citing client reviews that praise her as "a good strategic thinker who is very responsive" and that commend her "very strong knowledge of the field." Ms. Aciman, a partner in Hodgson Russ's Information Technology & Internet Law Practice Group, is recognized as a "notable practitioner" in the Technology & Outsourcing: New York section of the guide. Chambers USA notes that she "is particularly experienced in international technology matters, with a keen focus on the French market."
