

THE SAD HISTORY OF NEW YORK'S 'SANDWICH TAX'

New York Post
April 15, 2023

Have you heard about the bagel shop in New York City that seems to have found a way around the State's so-called "sandwich tax?" Yes, there is a sandwich tax in New York. Are you honestly surprised?

Christopher Doyle was recently quoted in a *New York Post* article about that tax. He gives a brief history of how it has evolved over time.
