

HODGSON RUSS WEBSITE WINS OMNI AWARD

Press Release
February 2, 2015

Hodgson Russ LLP announced today that its new website received a 2014 Omni Silver Award in the business website category. This is the third international award the newly redesigned hodgsonruss.com has received since launching in August 2014.

The Omni Awards recognize outstanding achievements in film and video, web, and mobile media. The competition, which is held twice a year, receives entries from all 50 United States and from 47 countries. The 2014 entries were evaluated by panels of professionals from industry-leading companies such as CNN, NBC, ABC, PBS, Disney, and the Associated Press.
