

NY DOH POSTPONES DEADLINE FOR FI AUTHORIZATION APPLICATIONS

Home Care Alert
November 28, 2017

The New York State Department of Health has extended the deadline to file the Fiscal Intermediary Authorization Application to December 15, 2017. In addition, the Department has issued a FAQ, [click here to view](#). Please contact any of our attorneys in the Home Care group if you have any questions about the application process, or if you need assistance in completing the FI authorization application.
