Home Care Alert
December 18, 2018

After much waiting and anticipation, the State's highest Court, the New York Court of Appeals, has scheduled oral arguments in *Andryeyeva v. New York Health Care, Inc.* and *Moreno v. Future Care Health Services* for February 12, 2019. A decision in this case is expected within 30 days of the oral arguments.

As we have reported numerous times in the past, this case is of seminal importance to all home health care providers in New York State as it will determine the compensability rules for aides who work 24-hour shifts.
