June 9, 2023

Daniel A. Spitzer, Henry A. Zomerfeld, and Emanuela (Amy) D'Ambrogio recently authored a *Law360* article titled, "For NY Wind and Solar Projects, Some Tax Assessment Clarity." In it, they provided insight and analysis on new legislation in New York State that directly impacts Section 575-b of the Real Property Tax Law, which requires the use of the discounted cash flow method to assess solar and wind projects over a certain size.
