

FTC RAMPS UP ENFORCEMENT ACTIONS UNDER REVISED GREEN GUIDES TO INCLUDE DECEPTIVE BIODEGRADABLE PLASTICS CLAIMS

Legal & Tax Newsletter, a publication of the German American Chamber of
Commerce
Fall 2013

An article by Hodgson Russ attorneys Daniel A. Spitzer and Maureen R. Monaghan, “FTC Ramps Up Enforcement Actions Under Revised Green Guides to Include Deceptive Biodegradable Plastics Claims,” appears in the December 2013 issue of *Legal & Tax Newsletter*, a publication of the German American Chamber of Commerce. The article discusses the expansion of the FTC’s anti-“greenwashing” campaign to include companies making biodegradable plastic claims.
