

PROPOSED FOOD IMPORT REGULATIONS ISSUED UNDER THE FOOD MODERNIZATION ACT

Legal & Tax Newsletter
October 9, 2013

In the German American Chamber of Commerce's *Legal & Tax Newsletter*, attorney Maureen R. Monaghan discusses proposed regulations to the U.S. Food Safety Modernization Act, which would require importers to perform certain risk-based activities to verify that food imported into the United States has been produced in a manner providing the same level of public health protection as that required of domestic food producers.
