

Pre-Recorded Webinar: Staying Ahead Of the Curve On Cannabis Legalization In Illinois

Peter Gillespie
08.06.2019

Attorneys

Peter J. Gillespie

With less than six months to go before recreational cannabis is legal in Illinois, employers – especially those with employees in safety-sensitive positions – need to cut through the haze about how they will apply the new standard to workers.

This webinar will discuss:

- Revising Drug Testing Policies – Is “Zero Tolerance” Still Practical?
- Practical Considerations for Conducting Reasonable Suspicion Testing
- Recommendations for Pre-Employment and Random Drug Testing
- Reasonable Accommodation Considerations

CLE Credit:

This webinar has been approved for .75 CLE credit. If you wish to receive these credits, please email Melissa Marshall at mmarshall@lanermuchin.com for the sign-in sheet and course evaluation.
