## Veterans Benefits for Long Term Care

This session will cover medical benefits and long term care benefits for those who served and their surviving spouses. Even one day of service matters and may open the door to a host of benefits that can assist in your long term care plan. Topics include service-connected disabilities, access to the VA medical center, home and community services through the VA, pensions for assisted living and memory care and eligibility for the MN Veterans' Homes.

### About the Speaker:

**Mary Frances Price** is a shareholder at Moss & Barnett. Mary Frances has been licensed to practice law since 2005 and has counseled and advised hundreds of clients on their estate and elder care plans. Mary Frances focuses her practice on serving individuals and families who are establishing an estate plan, revising one or dealing with the legal, medical and financial impacts of aging, chronic illness and disability. She has been accredited to practice before the Department of Veterans' Affairs since 2008.
