#### **About the Consumer Relations Consortium**

The Consumer Relations Consortium (CRC) is an organization comprised of more than 60 national companies representing the diverse ecosystem of debt collection including creditors, data/technology providers, and compliance-oriented debt collectors that are larger market participants. Established in 2013, CRC is evolving the debt collection paradigm by engaging stakeholders — including consumer advocates, federal and state regulators, academic and industry thought leaders, creditors and debt collectors — and challenging them to move beyond talking points and focus on fashioning real-world solutions that actually improve the consumer experience.
